Attention: Mr Simon E. Tildesley, Quality Manager

Dear Sirs,

The suppliers of Saab Aircraft AB, Saab, shall comply with the quality system requirements of the ISO 9000 series. For that reason each supplier is regularly evaluated against these ISO requirements as well as other requirements of the business agreement. After satisfactory completion, the supplier will be approved and registered on Saab's Approved Supplier List.

The evaluation of the quality system of APPH Ltd. has been carried out as an on-site audit against ISO 9001 requirements. This evaluation was completed and agreed by APPH Ltd. and Saab on November 1, 1996.

Based on this evaluation, and after satisfactory completion by APPH Ltd., Saab hereby approves:

APPH Ltd.

for design/development, production, installation and servicing of
Landing Gear for Saab 340 and Saab 2000

This approval is valid until further notice depending on the continued performance of your company.

Yours sincerely

Saab Aircraft AB
